

A photograph of a road winding through a forest. The trees are covered in autumn foliage, with leaves in shades of orange, yellow, and brown. The road is dark and appears to be paved, leading into the distance. The sky is visible through the canopy of trees in the background.

ALONG THE ROAD

A black and white photograph of a single-story school building. The words "TECUMSEH HIGH SCHOOL" are painted in large, dark, block letters across the upper portion of the facade. The building has a flat roof and a prominent vertical corner on the left. In front of the building is a large, deep snowdrift. Bare trees are visible in the background against a pale sky.

ALONG THE ROAD

Joy at the start, fear in the journey;
Joy in the coming home.

A part of the heart gets lost in the learning
Somewhere along the road.

Along the road your path may wander,
A pilgrim's faith may fail;

Absence makes the heart grow fonder,
Darkness obscures the trail.

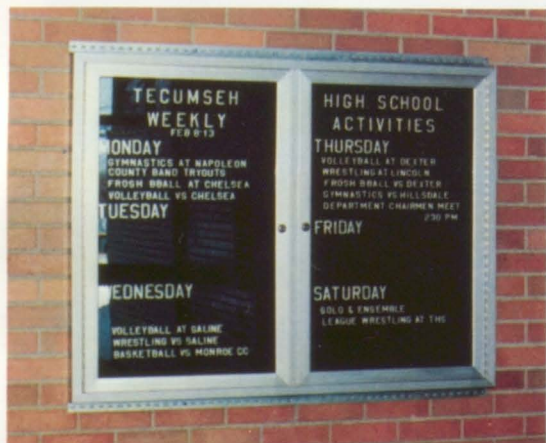

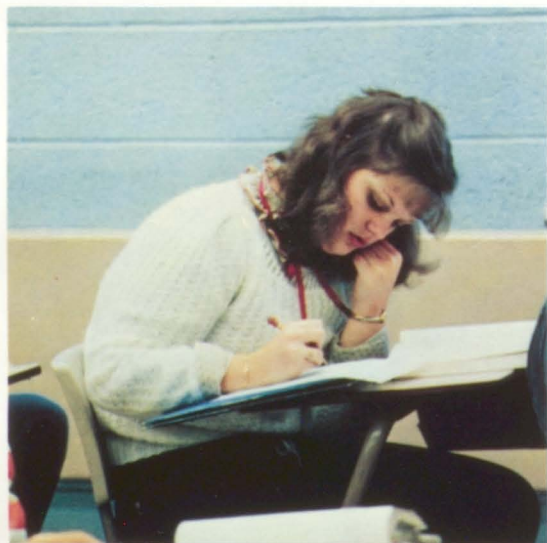

Cursing the quest, courting disaster,
Measureless nights forbode;

Moments of rest, glimpses of laughter,
Are treasured along the road.

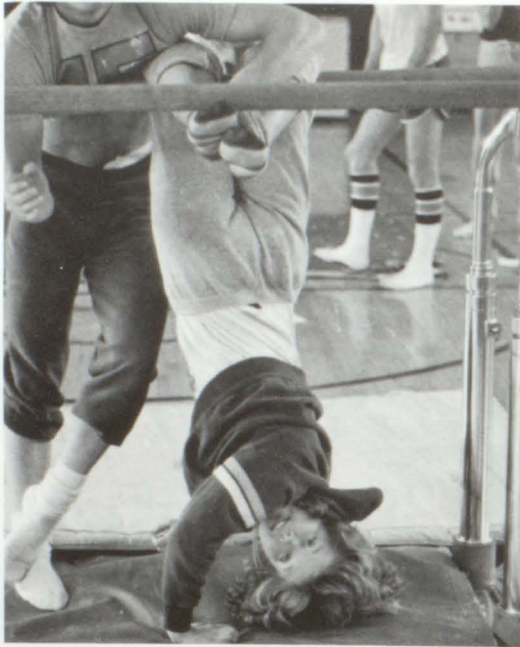

Along the road your steps may stumble,
Your thoughts may start to stray;

But through it all a heart held humble,
Levels and lights your way.

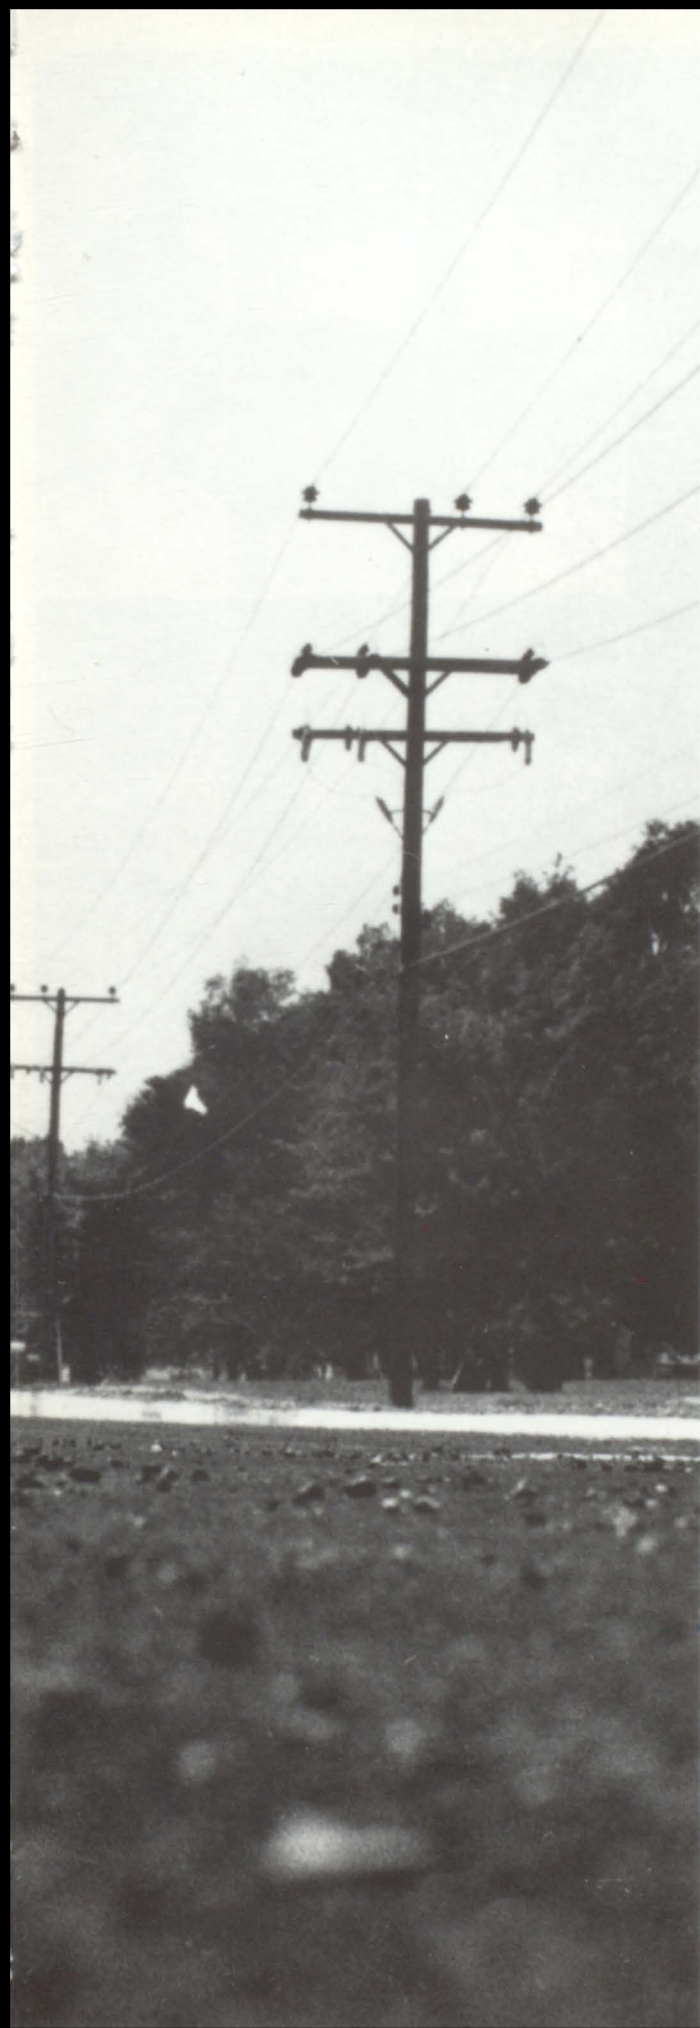

Joy at the start, fear in the journey,
Joy in the coming home;

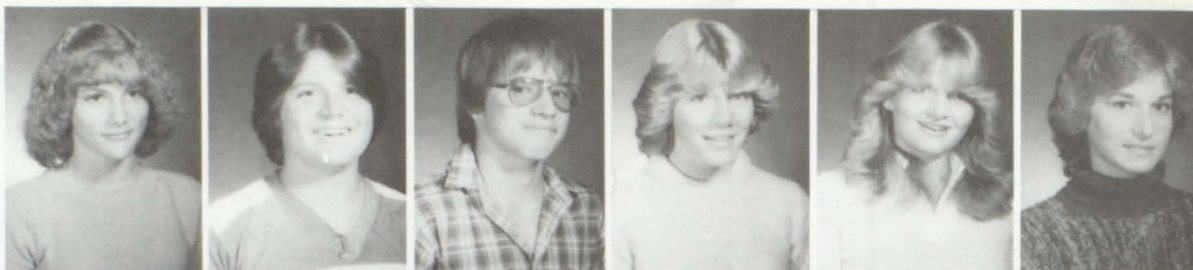

A part of the heart gets lost in the learning,
Somewhere along the road.

TEACHER OF THE YEAR

Teacher of the year for 1982 is Mr. Gary Lovett. Born and raised in Ohio, he received his education from Union College in Barbourville, Ky.

Mr. Lovett has been educating students at all levels for the last 18 years. He has many ideas and viewpoints on what teaching means to him and wishes to share them with you.

"Every student presents a different type of challenge," was a statement he made quite often throughout the interview. He finds it a most intriguing experience to press the students to use their thinking ability. "Learning is far beyond memorizing a few facts." One of his many goals is to instill a sense of pride in the students to think beyond the level he is accustomed to. Students are usually forced to memorize facts and then, after a test, some of the information is forgotten. Mr. Lovett tries to go beyond the level of simple memorization and concentrate on the higher levels of thinking.

Mr. Lovett has certainly earned this honor for his dedication to the students of THS.

Activities

This club participates in Foreign Language Week, the Winter Carnival, and the annual French Club vs. Spanish Club volleyball game.

Miss Harrison is the advisor to this fantastic club, and couldn't be more enthusiastic doing it!

Tecumseh is lucky to have a club that exposes the French.

The 2nd annual Freshman Ethnic Festival was held on May 12, 1982. Advanced Freshmen English & Social Studies classes presented to the student body selected theme's on subjects they have studied. English students exhibited topics on William Shakespeare, and his plays. The Social Studies students prepared pictures, maps and a slide presentation about the nation China. A group of students performed William Shakespeare's Romeo & Juliet. There were also puppet shows. The festival was enjoyable and beneficial to all.

FALL PLAY

This years fall play "Exit the Body", was presented December 3rd and 5th at the Civic Auditorium.

The plot of the play was a mystery writer, Crane Hammond, played by Nancy Preble, and her secretary Kate Bixley, played by Debbie Spagnoli.

The two rent an old New England house which happens to be the hiding place for some stolen diamonds. Everyone wants a piece of the action including; their hillbilly maid and her gangster boyfriend, played by Vickie Parmley and Mike Heaton. Others who wanted in on the act are; the towns sheriff and real estate agent, played by Richie Coscarelli and Ann Sommermeyer, and Finally a young man who suffers the loss of his memory, played by Rick Smoke. Others trying to help Crane and Kate are Lilian Seymour and Lyle Rogers, friends and neighbors played by Kecia Maynard and John Deming, and of course Cranes husband Richard, played by Jeff Sheldon. All in all the play was fun-filled, exciting, and totally successful.

SPRING PLAY

The 1982 Spring Play entitled "You Can Take It With You" was taken from the 1936 Award winning play of the same name. This play dealt with the Vanderhof's, a poor family living during the depression. Their loving and caring relationship demonstrated just how close a family could be. The young daughter falls in love with the son of a wealthy businessman, their lives are tormented when social standing threatens their lives. The play was indeed a success, and the cast should be congratulated. Nancy Kinnard directed the play. The cast was as follows: Anne Forstoefel, Kathy Tiltonc, Lynn Raine, Stuart Williamson, David Garcia, Richard Smoke, Michael Lewis, Tim Connors, Nancy Preble, John Phelan, Scott M'Donald, Mike Heaton, Barbara Walt, Graham Trusler, Beth Harris, Richie Coscarelli, Kirk Hoffman, John Deming, Kathy LeVeck.

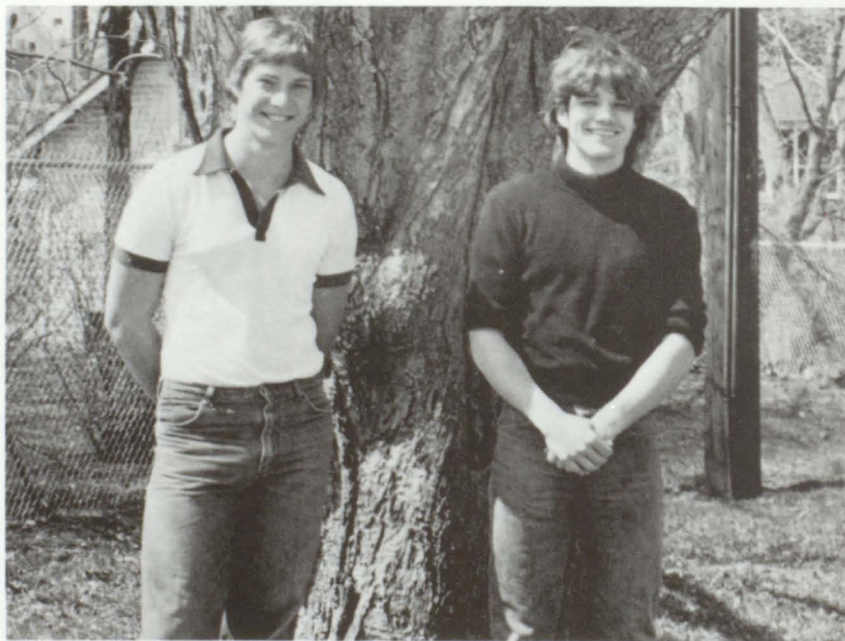

FOREIGN EXCHANGE STUDENTS

This year at THS there were students from all over the world. We had representatives from Europe to Africa! They were as follows: Stefan Weiber and Karen Mueller, West Germany; Robert Zanini, Switzerland; Yumiko Sahara, Japan; and finally, Graham Trusler, South Africa. The students stayed with families in the Tecumseh area. They enjoyed their year at THS, and learned many things about our country, and we learned a lot about theirs.

CROSS AGE TUTORING

This year there were eight Cross-Age tutors. Their advisor was Karla Sutherland. The Cross-Age Tutoring program was established to provide a means for high school people to go to the local elementary schools and gain experience in working with children. This activity has always given the tutors the satisfaction of knowing that they had helped someone. The tutors traveled to their classrooms at Patterson, Herrick Park, and St. Elizabeth every day during fourth hour. Every few weeks the tutors got together at the high school with Mrs. Sutherland and conducted a seminar where they discussed their problems, feelings, and good experiences they have encountered. Another asset of the Cross-Age program is that if a person has decided on an Education Major in college, the hours spent in Cross-Age could be used as credit for certain classes

AWARDS NIGHT

The Seventh Annual Awards Night Program was presented to the public on Tuesday, May 18, 1982, in the Civic Auditorium. The event began at 7:30 p.m. and finished about 9:00 p.m. This program has been held each year to honor students who display superior effort in specific courses. Each teacher determined who would be honored with an award. Sixty-two Seniors were also given special awards for having maintained a grade point average of 3.0 or better. The class valedictorian, Martha Holmes, achieved a perfect 4.0 average. The Stage Band provided the musical entertainment and Mr. Stevens again successfully chaired the event. Mrs. Nancy Kinnard was the emcee for the evening, and ended the evening with many inspiring remarks concerning the program's theme, "Taking Stock in Yourself."

INDUSTRIAL ART SHOW

The 21st annual Industrial Art Show held May 6 and 7, revealed how much artistic talent the students at THS possess. The show consisted of projects from the Art, Industrial, and Home Economics Departments. This gave the students an opportunity to display their better projects, and the teachers a chance to encourage the students to take some form of Art class in the future. The displays ranged from drawings to model houses to clothes. Everyone involved put forth a great effort to make this one of the best Art Shows ever.

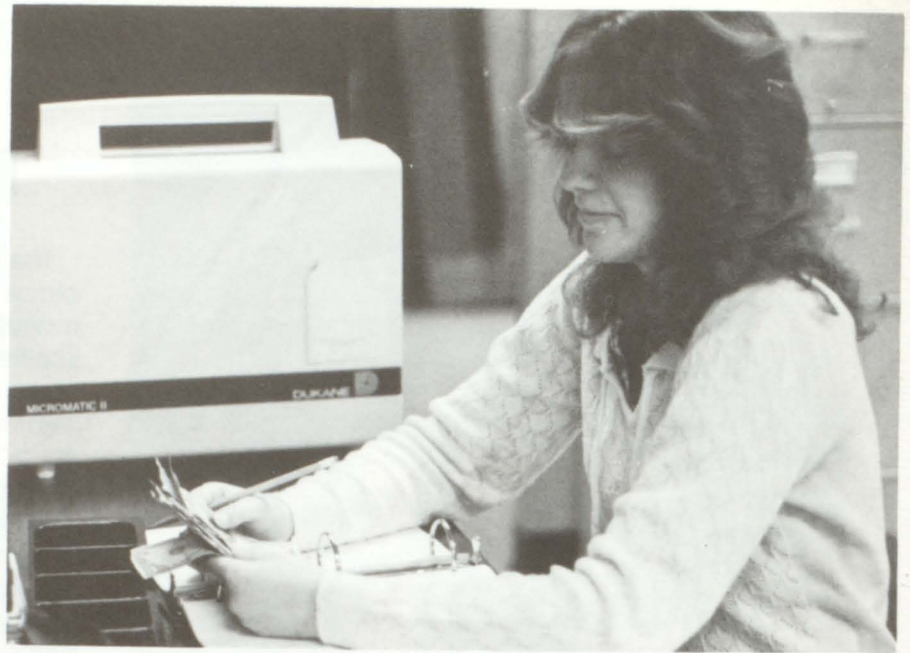

TALENT SHOW

The 1982 THS Talent Show which took place on April 30, had a variety of many different acts, ranging from Karate to Modern dancers, we really a great deal of talent this year. 3rd place went to Danielle Gill and Freshman who sang "For Your Eyes Only" the Theme from the latest James Bond film. Martha Hans took second place, she danced to Journeys new hit single "Open Arms." The talented John Biscelgia, again this year succeeded in taking 1st with a piano solo, in which he combined classical music with a beautiful song "Let it be" by the Beatles. This has never been put into piano music until now! The audience kept the show going, with clapping and superb welcomes to all who participated. We all enjoyed the talent of our fellow students.

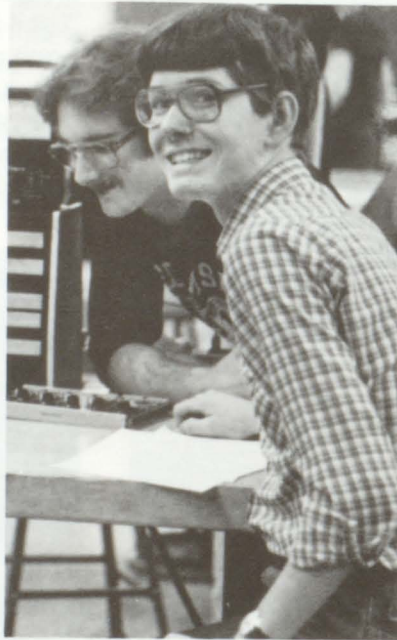

WORK THEM

VO-TECH

The Lenawee Vocational Center prepares students for future jobs. Students are able to branch out and experience different job training skills which are not offered by regular high schools. Vo-tech gives students the chance to meet new people and at the same time, study deeper in the chosen field. Students learn academically and vocationally. There are many subjects to choose from. For instance: mathematics, building trades, electronics, health, drafting, child care, and home economics, just to name a few. On-the-job training and Co-Op are also programs that are available to Vo-tech. It's a great experience for all who attend.

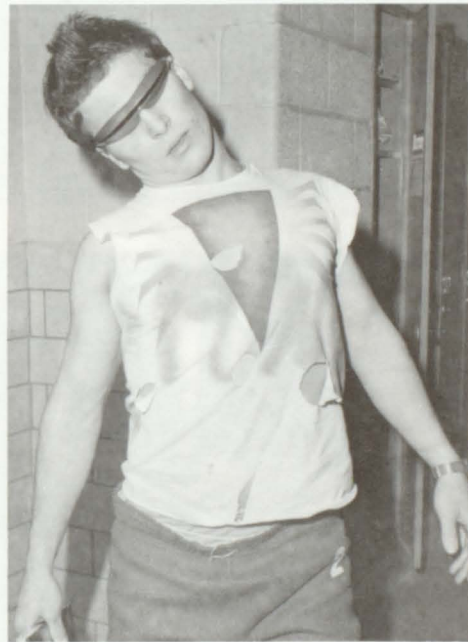

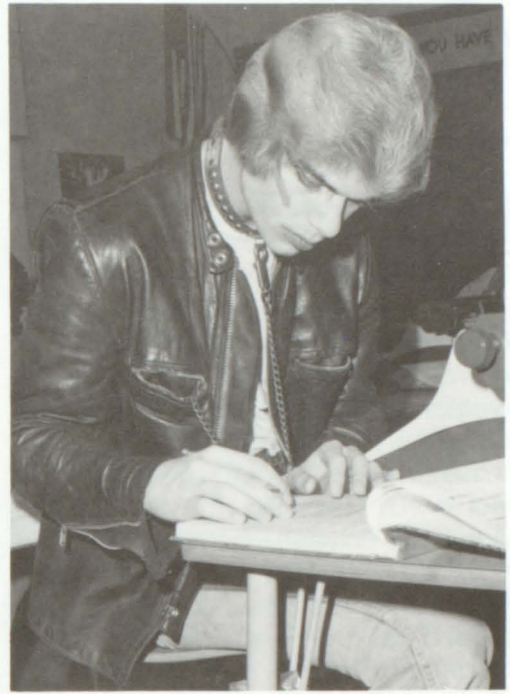

SPONGE WEEK

Sponge Week, also known as "Crazy Week", was another great success. Starting out the week we had Imitation Day, where students dressed as a star, teacher or anything they wanted. On Tuesday students wore college, rock concert, or just plain T-shirts. On Western Day, we had lots of pardners walking through the halls. Many wore cowboy hats, and carried lassos at their sides. Punk Day was a whole new scene; with safety pins through the ears, chains for belts, and pink and gold hair, not to mention the variety of make-up on each face. Then last was Future Day.

We encountered space creatures, and weird robots. Some took Future Day from another angle, and came as they thought they would be in the future; there were mothers to be, housewives, chemists etc . . . All in all we survived our wild and wonderful week again this year at THS.

BOY'S STATE

This year there were 9 junior boys selected to attend the 1982 American Legion Wolverine Boy's State. They were: John Walper, Andy Heglin, Mike Muncie, Paul Vredevelt, Fred Brighton, Gary Bush, Dan Rutherford, Rick Smoke, and Ritchie Palmer. It was held June 16-23, 1982 at Michigan State University in East Lansing. They listened to government officials as they talked about government procedures. They also held a mock election and ran a mock government for a few days. All and all the boys had a great time learning about the government and meeting lots of people.

GIRLS STATE

This years Girls State members were chosen by the American Legion Auxillary. Many girls tried out but after filling out applications and being interviewed, four were chosen. They were Sue Every, Lisa Herrick, Denise Michels, and Jodie Schmidt.

Girls State was held at Central Michigan and lasted for one week. The girls learned about State Government, and got a chance to act as the positions of Government. They formed their own cities, with 21 girls, and counties, with 72 girls. Guest speakers from the State Government advised the girls on how to be a part of the Government. They had much to do, met a lot of people, and had a good time.

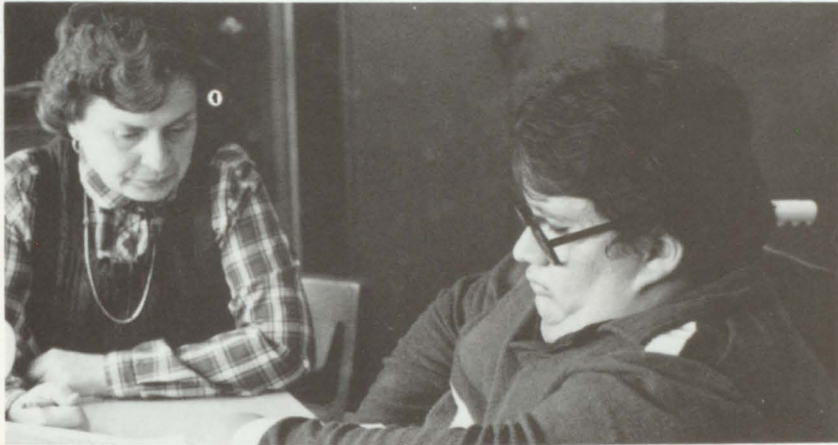

SPECIAL EDUCATION

Mrs. Hamlin was the instructor for the physically impaired at T.H.S. These seven students were mainstreamed into academic classes. They receive physical, occupational, speech, and language also.

Students with hearing impairments were under the supervision of Mrs. Noe. These students went to physical Ed., shop or typing classes. Each of the four students received speech therapy every day. To help communicate they also learned use of sign language.

The educably mentally impaired, supervised by Mr. Herman, were on the same type of educational programs according to their emotional, social and intellectual abilities while receiving all or some of their academic subjects in the resource room. All deserve credits for their many fine achievements.

CHOIR

The 1981-82 Choir was composed of 70 voices from two hours, 2nd and 6th. The Choir was accompanied by two pianists, Cindy Long and Robin Taylor. Robin served the THS Choir for four years.

The two hours united and performed on November 9th, December 16th, March 15th, and May 25th.

The Choir members sponsored bake sales to raise money to purchase the girls skirts and the boys vest for their concert performances.

The THS Choir and the Honor Choir were under the direction of Jimmie Lee Rice.

The Honor Choir made up of THS Choir members, met after school two nights a week and performed seperate songs during the concerts. The Honor Choir performed in an assembly at the Civic Auditorium, and also entertained at other events throughout the year.

JUNIOR ACHIEVEMENT

Junior Achievement is an extremely popular and successful program in Tecumseh. Sponsored by Faraday, Fisher Body, and Tecumseh Products, this program is an excellent opportunity for students to learn business abilities and to put their newly gained knowledge to use. Approximately fifty students participated in the J.A. program this year. They met every Wednesday from seven o'clock until nine with their advisors from each of the three companies. Officers were selected, the offices being President, Vice President of Marketing, Vice President of Production, Vice President of Finance, and Vice President of Personnel/Corporate Secretary. Officers were chosen from each of the specialized groups, and each group then chose a product to manufacture and sell to the public. This year, all participants did a terrific job and really had a good time learning about business.

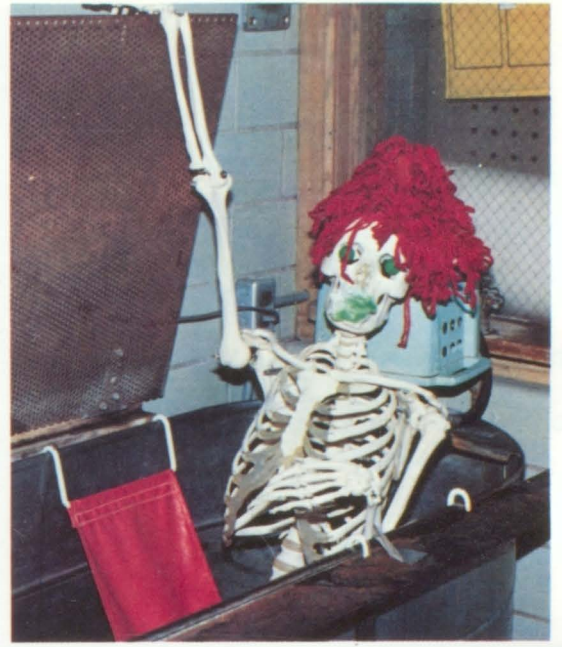

WINTER CARNIVAL

The 1982 Winter Carnival was festive for everyone. The carnival was held on February 20th in the gym and cafeteria. For the athletic type there was a baseball throw, basketball shoot, and a football throw. Many became scared as they cautiously crept threw the Spook House. For those who wanted a speedy challenge there was a Rubiks Cube Contest. While some were enjoying tasty foreign food, others were dragged off to sit in jail. Many thanks to those involved in making the 1982 carnival a memorable experience.

STUDENT COUNCIL

Some of the most enjoyable events were put on by the Student Council. The activities presented by this group, clearly represent what a fantastic Student Council THS had. Throughout the year they sponsored Homecoming, the canned food drive, the Winter Carnival, and many dances.

This year, the officers were: Pres. Mike Heaton, V.P. Stuart Williamson, Sec. Debbie Spagnoli, Treas. Kris Lapham.

STUDENT TEACHERS

This year there were four student teachers at THS. Julie Anderson, a 1977 THS graduate, was a spring graduate from EMU, and majored in phys-ed. She was a student teacher with Miss Fisher.

Mrs. Jan Bauschka did her student teaching with Mr. Herman of the Resource Room. She graduated in the spring from EMU with a major in Special Ed.

Kathy Walters also majored in Special Ed, and worked with Mrs. Hamlin. She graduated in December from EMU.

Kathy Maydock who had a major in Special Ed was a spring graduate of EMU.

HOMECOMING '81

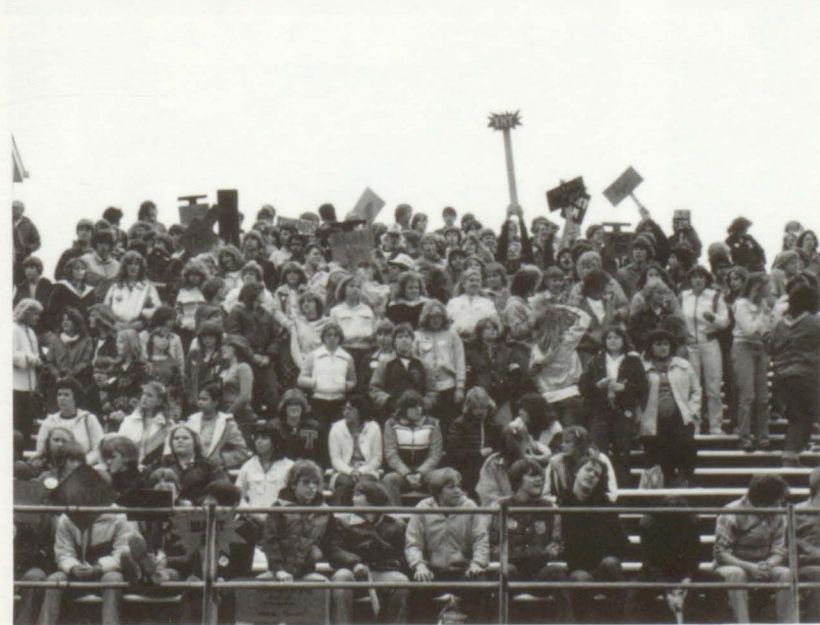

The weather was really cold, but that did not stop the overflow of spirit for Homecoming 1981. In the afternoon pep rally the Freshman and Junior classes tied for first place in the spirit category. After the pep rally each class lined up behind their respective floats, and headed for Chicago Blvd. The crowd at the parade was large, and various merchants were judges for the floats. The Juniors placed first, the Seniors and Sophomores tied for second, then last but not least were the Freshman.

The main event, the football game, was a big success, not only because we won 14-0, but because of the spirit everyone showed.

The opponent was a tough Dexter Dreadnaught team, but our Indians combined good offense with a strong defense to win. Our Homecoming Queen was crowned at half time. She was Kathy Furstenburg, who was attended by her court, Lori Burack and Lori Fasbender. The representatives were Tracy Walters, from the Junior class, Tami Schneck, from the Sophomore class and Renee Solarski, from the Freshman class.

Following the game was the traditional Homecoming dance, sponsored by the Student Council. The featured band was Jam Pact. All in all, Homecoming was a total success.

ORANGE SPIRAL

The Orange Spiral was made up of Journalism students taking the responsibility of writing a newspaper which was informative and entertaining. The students' main purpose was to provide the students and faculty of THS with the best possible coverage of school related activities. This year they covered all school activities, for instance Winter Carnival, Homecoming and Christmas events. This years' journalists gained a great deal of experience and had a lot of fun doing it.

Editor-in-Chief-Kellie Worley; News Editor — Laura Snyder; Sports Editor — Paul Parros; Business Manager — Laurie Hill; and their advisor was Mrs. Jody Stevens.

ANNUAL STAFF

Because a yearbook is the only permanent record of high school memories, a lot of time, work, and imagination must be put forth in order to make the book a good one.

Striving to publish the best book possible, each member of the 1981-82 Annual Staff works diligently to complete his assignments. The staff consists of five specific departments. These include layout and design, copy, sports, business, and photography. During the summer, time is spent selling ads. Also, incoming freshmen attend a camp where they learn the basics of putting together a yearbook.

This years editors were: layout and design — Jenni Bauman; copy — Trudi Hibbard; sports — Kristin Long; business — Mike Walper; and photography — Lee Prettyman.

Roll With The Changes

Our freshman year was lots of fun,
We made new friends, we'd just begun.
Our sophomore year went much too fast,
Trying to make each moment last.
Our junior year was toughest of all,
Knowing we'd be seniors, come next fall.
It came so quickly, as dawn brings the sun,
Making us closer — making us one.
Our last year together, it'll never be the same,
This thing called life is a silly game.
"The best times of your life" that's what they say,
We know this is true, by living each day.
We've had many laughs, we've cried many cries,
We've won and we've lost, through many of tries.
We'll always remember the memories we've made,
They'll remain in our hearts — they'll never fade.
Graduation draws near as each moment passes,
We yearn to finish these last days of classes.
Even after this day when we start things anew,
We'll always remember "Class of '82".

PROM

"A Midsummer Night's Dream" was the theme of the 1982 Junior-Senior Prom, and it was dreamlike. The class of 1983 held this outstanding Prom at Sauk Valley Lodge, Saturday May 15, in honor of the graduating class of 1982.

The night was warm and breezy, and the building was beautifully decorated with bright lights and peachy, Spring-like colors. Prom King and Queen, Keith Benschoter and Della Righter danced to the Prom's theme song, "Just Between You and Me."

This evening will be a cherished memory for all who attended, as it was among "the greatest Proms ever."

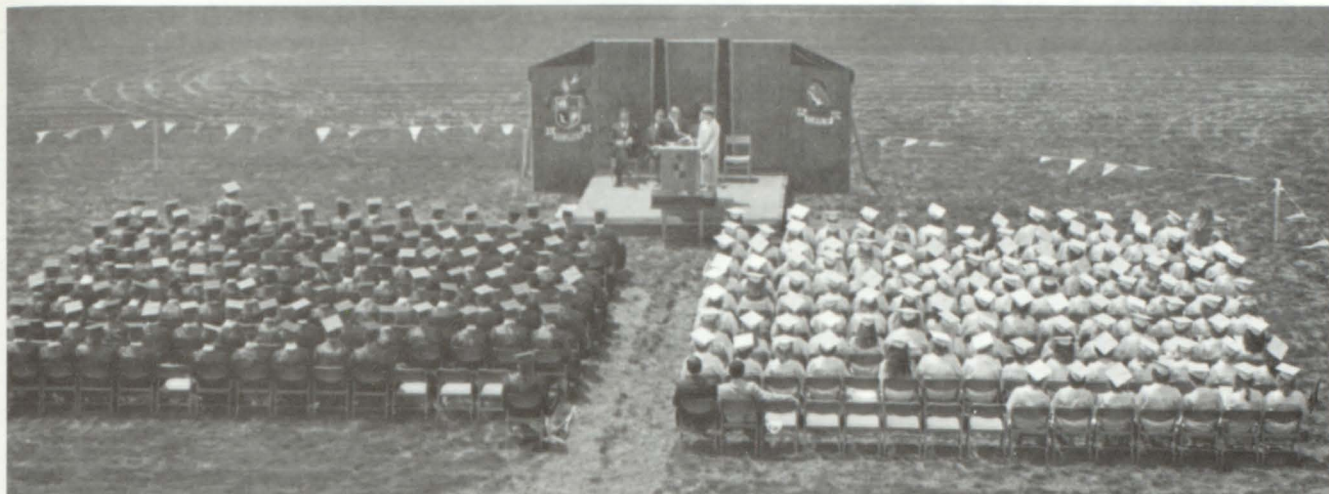

COMMENCEMENT

GRADUATION 1982

The Tecumseh High School 116th Commencement Exercises were held at 2:00 p.m. on a hot, sunny June 6, 1982 at Indian Stadium. Mr. John D. Selby, Chairman of the Board and President of the Consumers Power Company, was the guest speaker. The women were dressed in champagne colored caps and gowns and carried pink roses. The men dressed in brown, wore a white boutonniere of the same flower. A total of 234 graduates received their diplomas on this gorgeous afternoon.

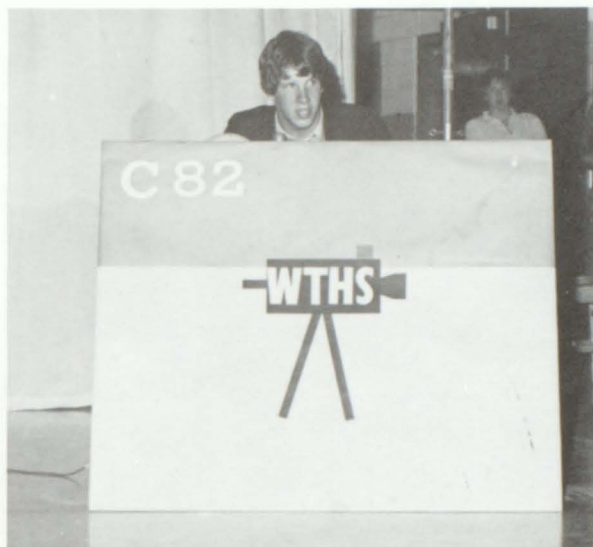

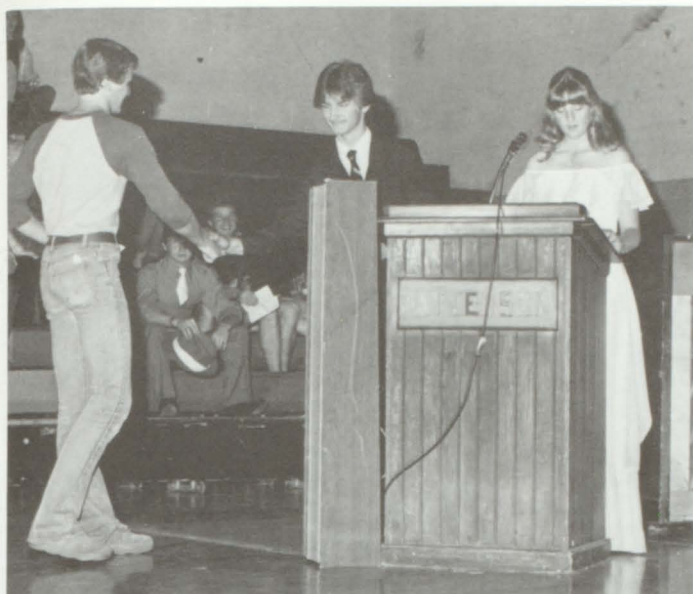

CLASS NIGHT

"Whats New on 82" was the theme of class night for the graduating seniors. The show was filled with a wide variety of talents. These ranged from singing and dancing to comical skits with the full flare of prime time television.

May 21st 1982 was the historic date for this gala occasion. Everything was perfectly prepared by the countless number of seniors who participated in the production. From the start, with MCs Mike Heaton, Beth Butters, Penny, Gordon, and Keith Benschoter who dressed so elegantly to the grand finale of the slide production which featured the members of the class of 82 as the class song played triumphantly in the background.

Special thanks must be extended to Mrs. Kinnard, Mr. Gross, and Mr. Sabourin without whom the production could not have been possible.

This year the Indians put forth plenty of effort in the Southeast Conference.

Craig Kirk, Ron Bechtol, and Tim Connors were selected to the 2nd team all conference offense. 1st team defense honors were given to Ron Bechtol, Tim Connors, Ken Kurzyniec, and Jim Quinn. Honorable mentions went to Mark VanBuren, Tim Connors, Ken Kurzyniec, Jim Quinn, and Jeff Butler. In spite of these outstanding young men there were many fine athletes on the team. We are very proud to have them representing our school.

They finished the season with a 4-4-1 record. The Indians played well as a team and should provide the varsity with some fine football players in the next two years.

Being a cheerleading advisor is a challenging and rewarding experience. It's fun to know and cheerleaders as individuals as well as members of a team, and to see their abilities and skills develop through the season.

The cheerleaders worked hard to make their squads the best. They were enthusiastic, energetic, and cooperative. They gave a lot of their time and themselves in practices and at the games.

I hope the cheerleaders enjoyed their season and have some positive feelings and memories of this year.

The Tecumseh High School Wrestling Team had a tremendous season. Everywhere that you looked, records were broken. Tim Connors was crowned League Champion, District Champion, Regional Champion, County Champion, and placed fourth in the state finals. Senior Ron Bechtol also achieved the status as Hudson Champion. This was the first year that two wrestlers from Tecumseh placed in state competition. Mr. Connors stated, "The team was great!"

The gymnastics team did quite well despite the uncertainty early in the season of whether or not they would have a coach.

Their three and seven record was somewhat lower than last year but all in all they did very well with the coaching support of Jim McKinney.

There were two team members that qualified to go to regionals, Martha Hans on bars and vault, and Jill Schmidt on vault.

Congratulations to the Tecumseh High School Gymnastics team for a job well done.

EDITORS' NOTE

The 1981-82 school year has been a year to remember. The winter weather that extended until late April, caused many delays in the completion of the "Anath" as well as several enjoyable snow days. We hope we have captured these memories as best we can.

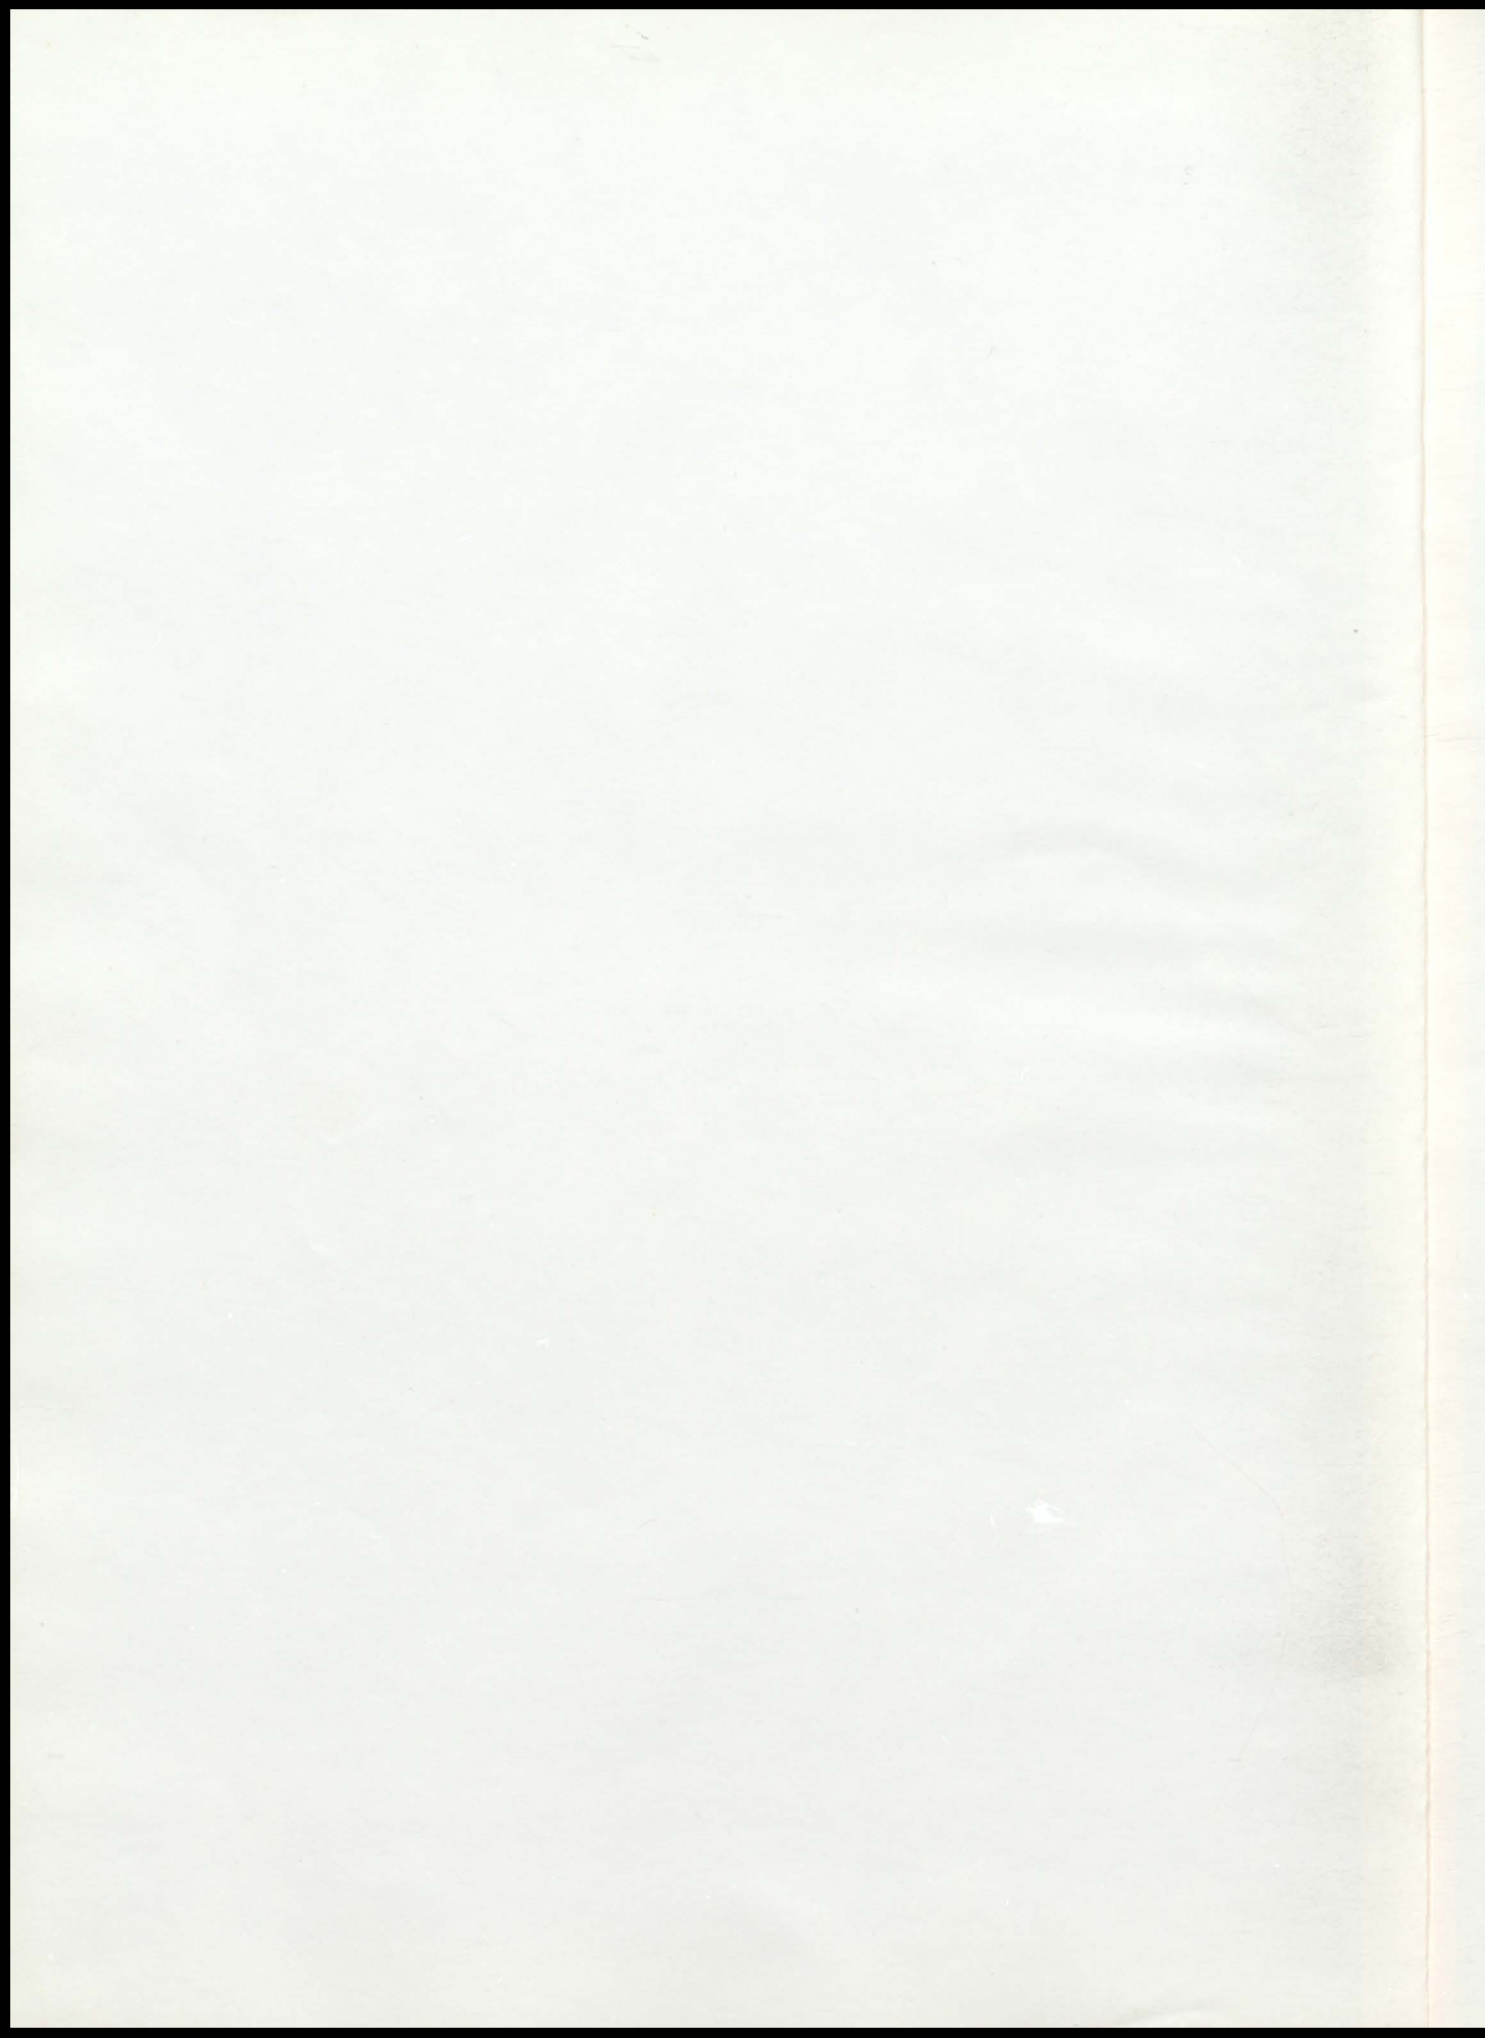

The theme of this year's book is "Along the Road," a song by Dan Fogelberg, expressing the many wonderful learning experiences, be they good or bad, we encounter as we travel along the road of life.

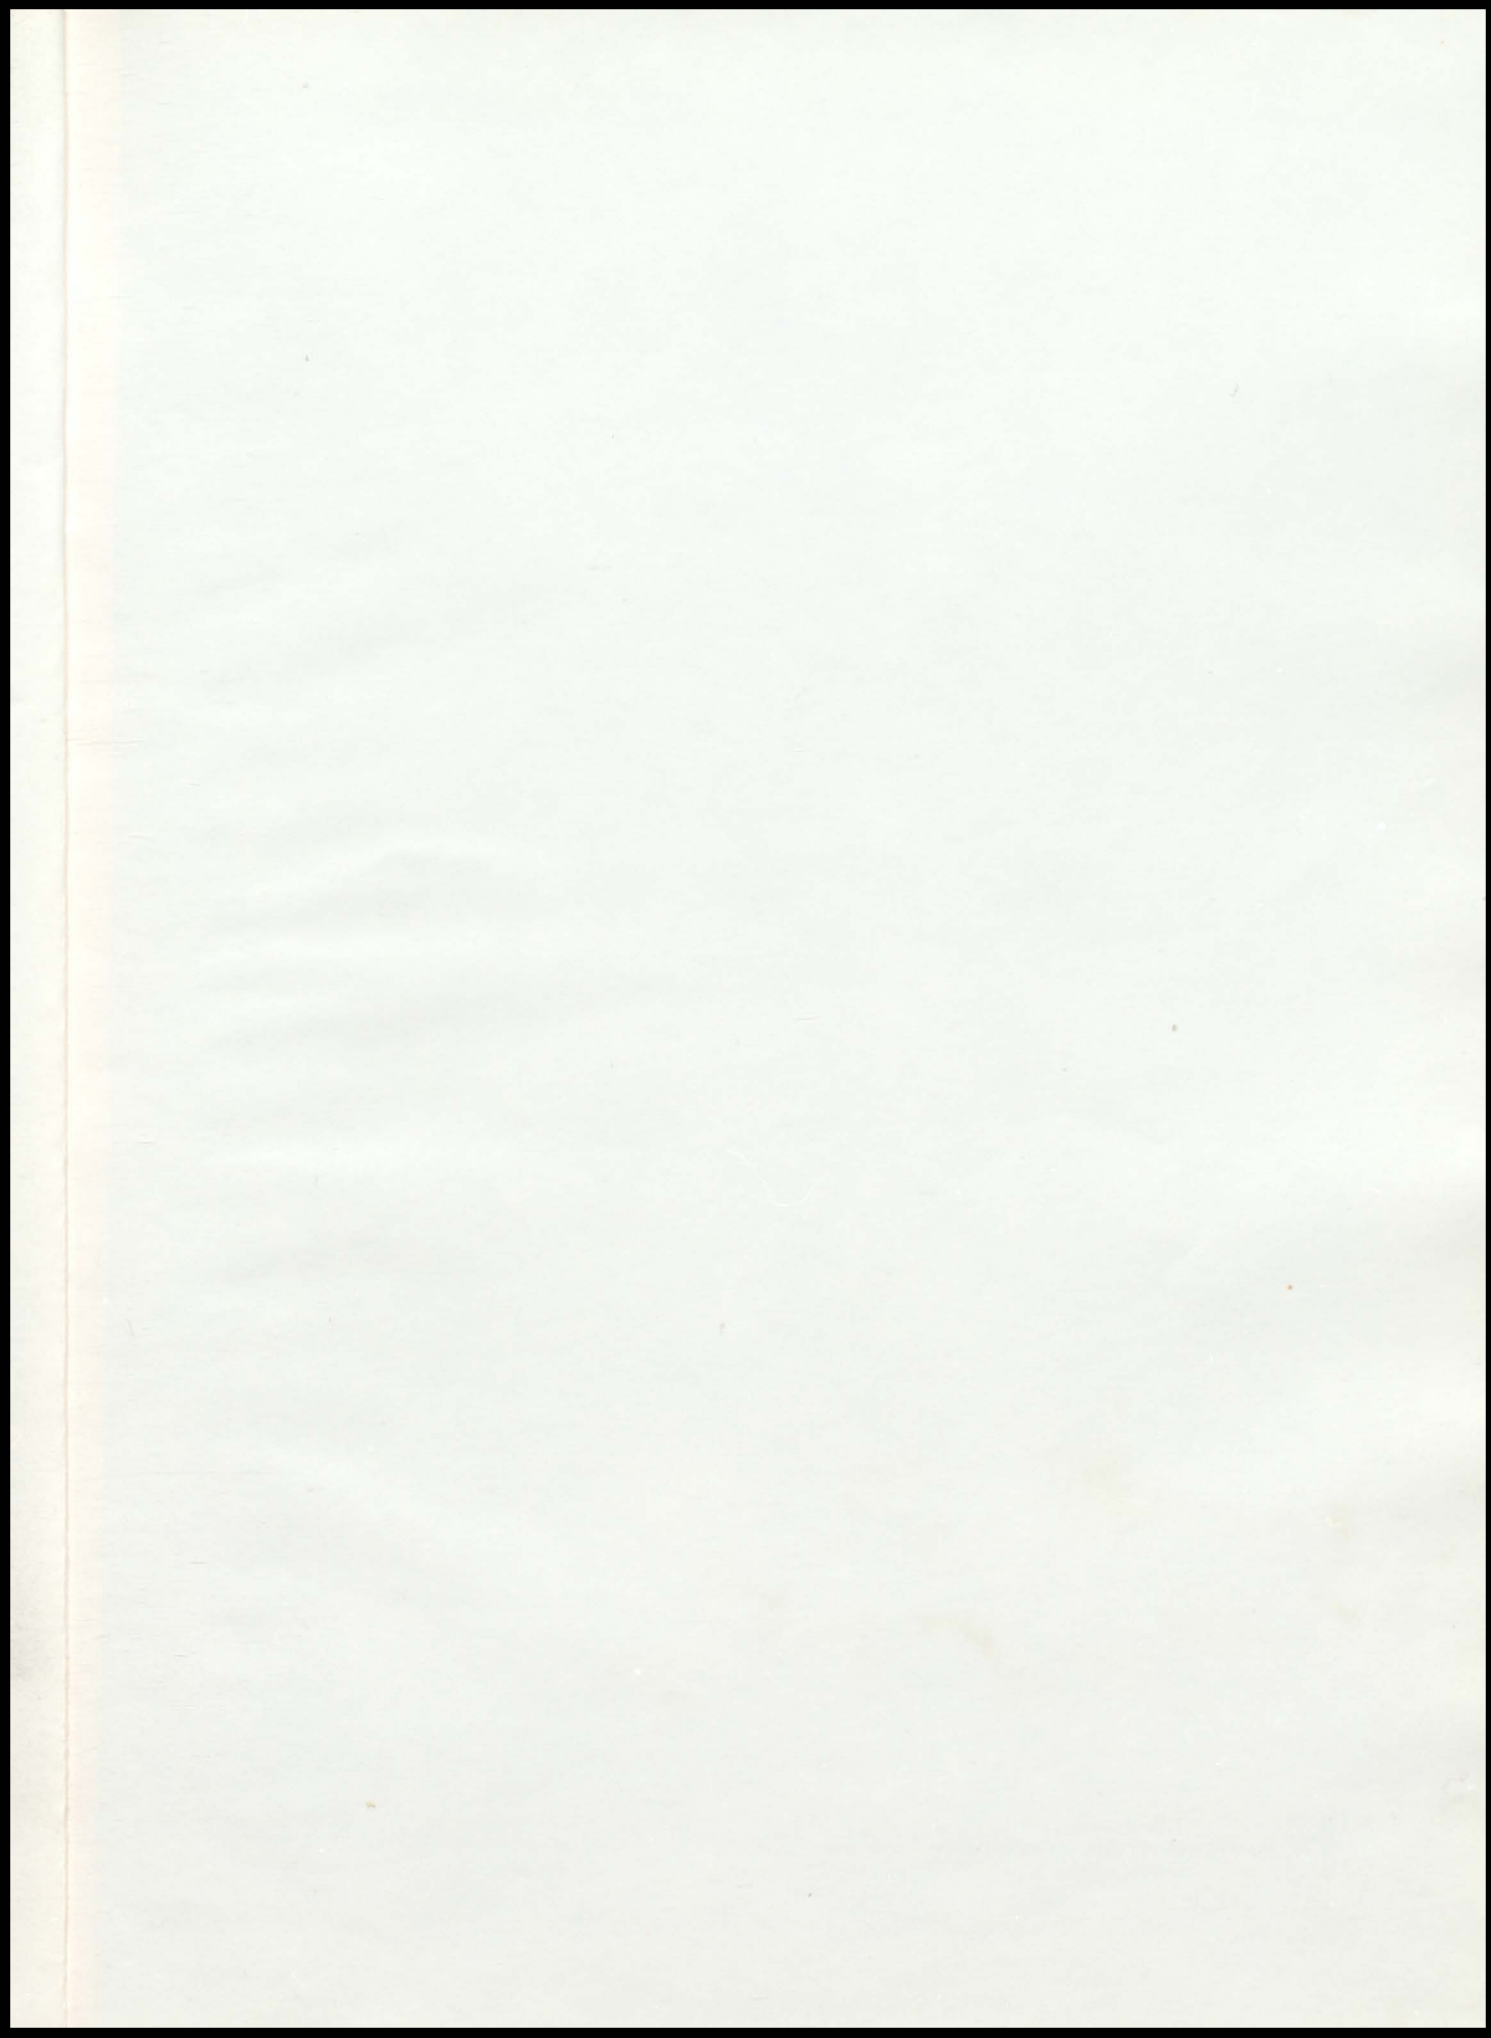

We would like to express our sincere gratitude to the entire staff and especially our advisor, Mrs. Stevens. We also thank our Hunter Publishing Representative, Doug Bynum, without whom this book would not be possible. We extend special thanks to Carl Habrick for providing us with our countless color pictures.

Hopefully, you have found the book enjoyable. We express our thanks to you, the student body, who made this book a reality.
